Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for constructing passing lanes on US-400 in Cherokee County, Kansas, in surface transportation reauthorization legislation.

The project sponsor for this project is the Kansas Department of Transportation, and the project is located on US-400, east of Cherokee, Kansas 66724.

The funding is designated for constructing passing lanes going east of Cherokee, Kansas.

The project is an appropriate use of taxpayer dollars and is anticipated to provide enough time and provide new opportunities for traffic to get around substantial truck traffic, assisting with traffic volume on a major highway.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jake LaTurner

Member of Congress
